

# Appomattox Regional Governor's School

“Nurturing gifted and talented creative thinkers in the fine, performing and technological arts.”

## POSITION DESCRIPTION

**Date:** May 31, 2019

**Job Title:** Computer Science Teacher

**Work Location:** ARGS – High School

**Immediate Supervisor:** Executive Director

**Terms of Employment:** Full-time

### **General Description:**

Plans, delivers and evaluates instruction for gifted students in computer science (AP/Dual-Enrollment) and mathematics courses according to the standards and objectives established by Virginia Department of Education and ARGS. Assist students in learning knowledge and skills that will contribute to their development as mature, able and responsible citizens.

### **Requirements:**

Education, training or experience sufficient to demonstrate the required knowledge, skills and abilities will be considered. Applicants should currently possess a Virginia Department of Education teaching license or eligible for a provisional teaching license. Further, applicants must work toward a gifted add on endorsement within the first five years of employment. All eligible applicants are encouraged to apply.

### **Essential Job Functions:**

- To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.
- Plans and delivers appropriate computer science and mathematics curriculum content to students.
- Plans, teaches and assesses writing.
- Assesses students learning on an ongoing basis and alters instruction to meet group/individual needs.

- Uses the curriculum of the school to plan daily instructional activities.
- Maintains order within the classroom setting in accordance with school guidelines regarding student behavior management.
- Willing to collaborate with other faculty in planning and delivering instruction to students.
- Communicates regularly with parents.
- Ensures compliance with existing applicable federal and state statutes and local policies, regulations and guidelines related to public schools.
- Performs other duties as established by Governing Board Policy or deemed necessary by the administration.
- Has a basic knowledge of computers and email.

**Physical Demands:**

While performing the duties of this job, the employee is regularly required to reach with hands and arms; handle hand and power tools, paper files, records, computer and equipment controls; talk and hear. The employee is required to stand, walk and sit. Applicant may be required to use crisis prevention plan or intervention techniques and lift up to 25 pounds. Specific vision abilities required by this job include close vision, distance vision, and peripheral vision.

**Work Environment:**

Work is performed in a public school. The noise level in the work environment varies.

**Knowledge/Skills/Abilities:**

- Requires knowledge of the concepts, principles and methodologies of instruction.
- Proficient in mathematics and computer science.
- Requires general knowledge of academic curriculum for assigned classes.
- Demonstrated ability to develop instructional goals, to design and deliver instruction and to assess students' learning.
- Demonstrates ability to communicate with others effectively, both orally and in writing.
- Demonstrates skills in decision making, problem analysis, conflict resolution, interpersonal relationships and planning.
- Demonstrates flexibility in areas of responsibility.
- Salary is determined by a standardized scale commensurate with experience.
- Demonstrates commitment to improving professional competence.
